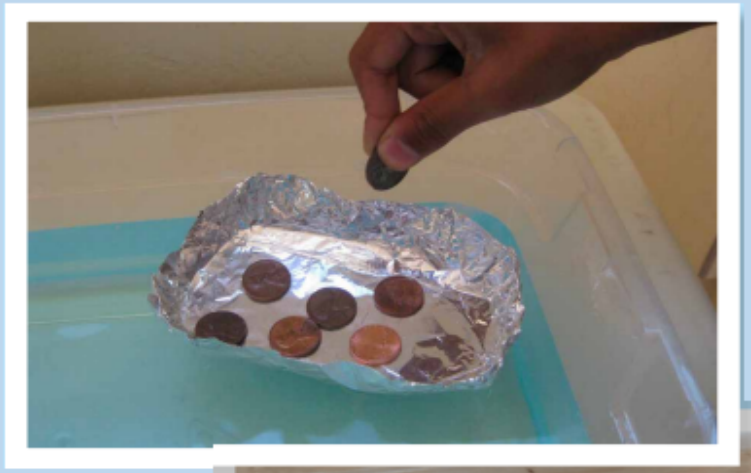
Penny Boat Challenge!

Here is a fun challenge to try at home:

The challenge is to build a boat with things you might have around the house such as tinfoil or even Lego and see how many coins it can hold before it sinks.



Step 1: Design

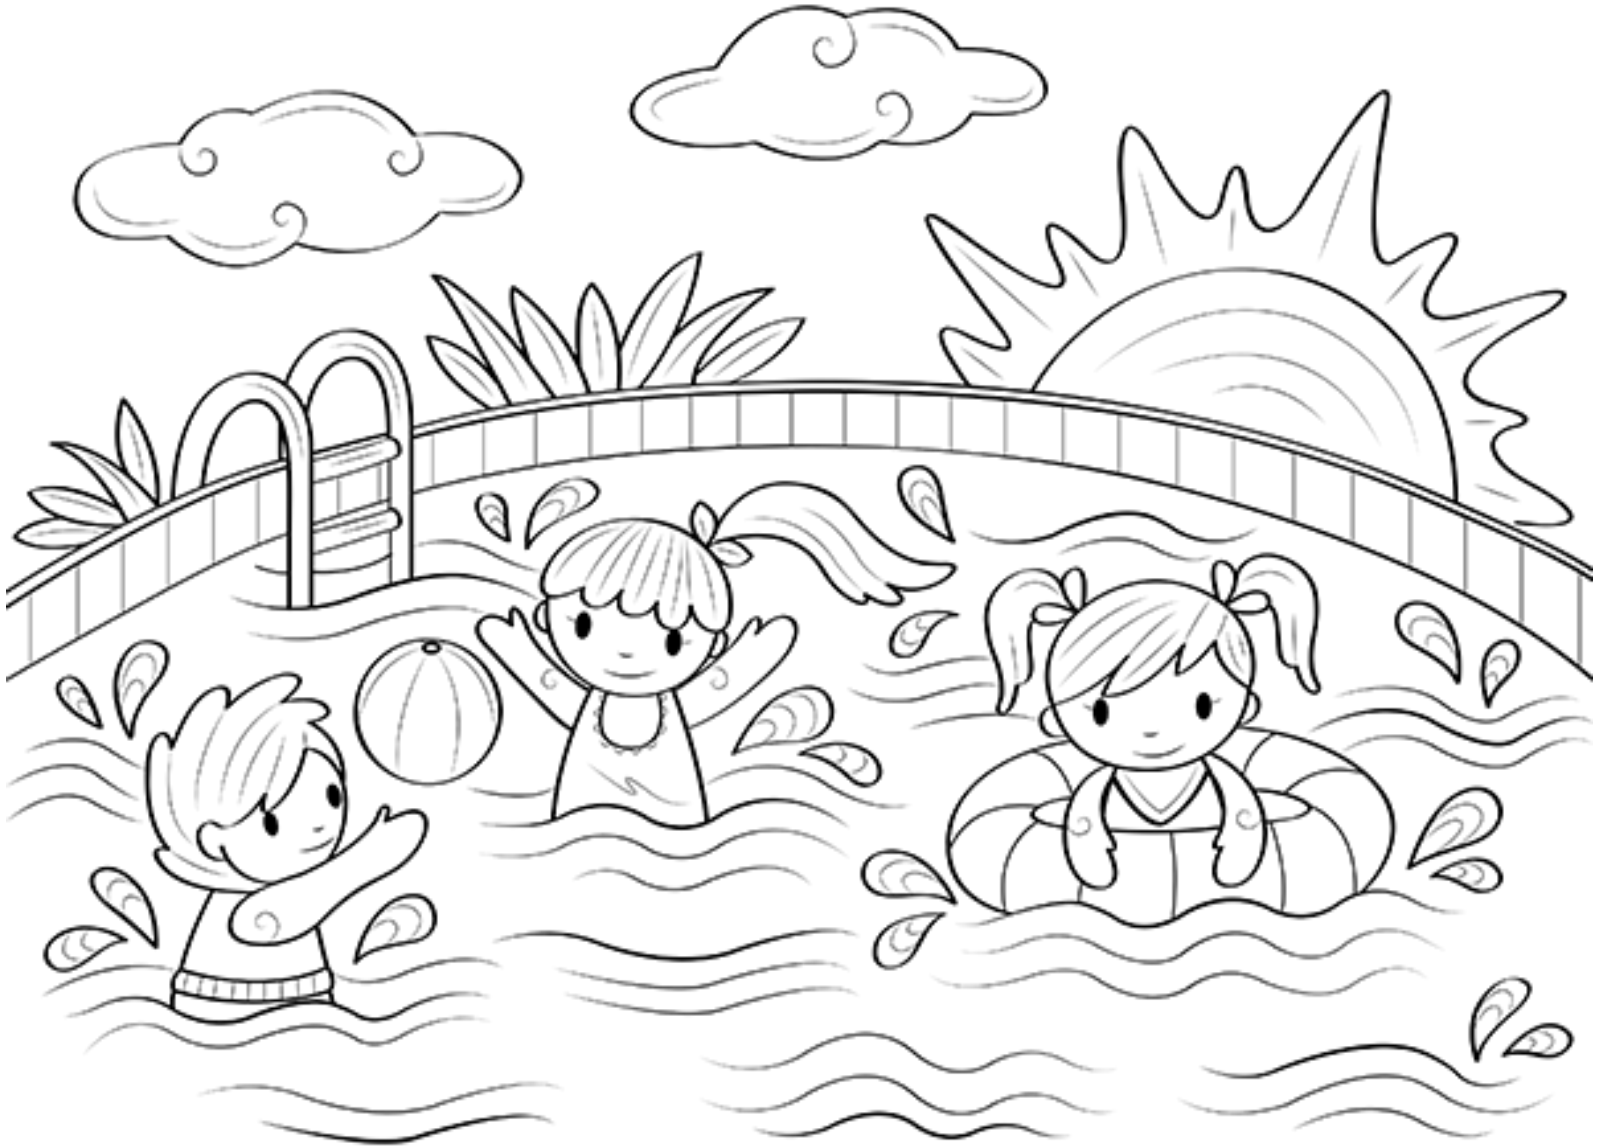
Take some time to think what supplies you have and plan the design of your boat.

Step 2: Build

Have fun building and decorating your boat.

Step 3: Test

Now it is time to test your design and building skills and see how many coins it can hold before it sinks.

Step 4: Challenge


Why not challenge some of your family or friends
